PE Funding Evaluation Form

- It is intended that this template should be used as preparation for the completion of the statutory digital reporting tool being introduced this academic year. You can upload data (including swimming) from this template onto this platform once it becomes accessible.
- Before you decide how you are going to use the funding for this academic year you should reflect and evaluate the impact of your use of the funding in 2023/24.
- All spending of the funding must conform with the terms outlined in the Conditions of Grant document.
- The template is a working document that you can amend/update during the year.
- Based on your evaluation of last year's funding you should decide what you intend to do this academic year, how you will do it, and what impact you expect it to have.

It is important that the funding is used effectively and based on your school's needs.

- You must use the funding to make additional and sustainable improvements to the PE and sport in your school.
- You must develop and add to the PESSPA activities that your school already offers.

Summative digital reporting from June 2025 will continue to include swimming and water safety information therefore funding can be used to provide top-up lessons where necessary to ensure pupils meet national curriculum swimming requirements.

Review of last year 2023/24

We recommend that you start by reflecting on the impact of current provision and reviewing your previous spend.

What went well?	How do you know?	What didn't go well?	How do you know?
<p>Providing children with structured sports and activities to partake in at lunchtimes.</p> <p>Developed a range and quantity of sports related books in school library.</p> <p>CPL for all staff delivering PE through PPA, improved knowledge and confidence with delivery.</p> <p>Free after-school sport clubs to create broader experiences (football, hockey, basketball, dodgeball and dance)</p> <p>Provide transport for ASP competitions so all children selected (inc SEND) are able to attend. All children could partake in Sports Day at Shobnall running track.</p> <p>Bikeability for all children in Upper School.</p>	<p>Midday supervisors are more confident running activities for children following support/modelling from Sports coach/new equipment. Behaviour improved.</p> <p>Improved engagement in Reading. These books have been popular (AR)</p> <p>Children receiving consistent high-quality lessons and staff felt supported.</p> <p>Pupils have experienced a variety of sports. Pupils have new knowledge of the rules for these games & school have entered competitive events.</p> <p>Transport was not a barrier. Attendance of children at Sports Day which was off site due to building work.</p> <p>More children can now ride a bike safely</p>	<p>We will need to revisit this when we move into our temporary building as outdoor space is more of a premium.</p> <p>We will continue this approach in 2024/25 linking clubs to sporting events held by ASP so we can enter more competitions.</p> <p>Due to changes in staffing, we entered fewer competitions in Summer Term.</p> <p>Y5 struggled to fit the wider curriculum in due to Bikeability and swimming.</p>	<p>Date for moving into temporary building confirmed as April 2025.</p> <p>Only Swimming competition entered as others were cancelled due to staffing.</p> <p>Feedback from teachers.</p>
